2. Those wishing to address the Board regarding items on the agenda or non-agenda items may do so, in writing, prior to the meeting or during the meeting by emailing publiccomments@dcp.org
3. Emailed comments pertaining to any item on the agenda will be read to the Governing Board before that item is under consideration as it appears on the agenda, during “Public Comment - Emailed Communications.” Please note that in reading aloud your email, the reader will be given up to five (5) minutes to speak and total time allotted for the reading of emailed communications will not exceed fifteen (15) minutes. Comments may be read in the order received. Submitted comments may be read into the record to the extent practicable based upon factors such as the length of the agenda and available time. Comments received, whether read or not, will be shared with the board and noted in the minutes.
4. “Public Comment - Oral Communications” is set aside for members of the audience to raise issues that are agenda items or not specifically on the agenda but within the subject matter jurisdiction of the Board. However, for non-agenda items, due to public meeting laws, the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes per speaker and total time allotted for oral communications will not exceed fifteen (15) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
5. When submitting an email for public comment to the Board, members of the public are requested to state their name and adhere to the time limits set forth.
6. Citizens may request that a topic related to school business be placed on a future agenda. Once such an item is properly agenda itemized and publicly noticed, the Board can respond, interact, and act upon the item.
